

Press Release

Synergy Ranked Fourth in Denver Business Journal List of Top Staffing Agencies

Denver, CO, November 29, 2006 – Synergy Services Corporation, a leading provider of contingent workforce solutions, has been ranked the fourth largest temporary employment agency in Denver according to the Denver Business Journal. The latest announcement comes on the heels of Synergy's ranking as one of Colorado's Top 100 Private Companies according to ColoradoBiz Magazine.

“We continue to experience extraordinary growth as a leading provider of contingent workforce solutions”, stated Tim Miller, Founder of Synergy Services Corporation. “We are pleased with the latest Denver Business Journal ranking and look forward to continuing our pursuit upward.”

Founded in 2000, Synergy has been exceeding ambitious growth targets by expanding in to over 38 states, developing new market opportunities and introducing innovative services and technology solutions. Their latest contractor database technology allows companies and partners a means to cost effectively and efficiently source contractors such as retired workers, or previous employees.

The Denver Business Journal is owned by American City Business Journals, the nation's largest publisher of metropolitan business newspapers. It operates forty-one print business journals across the United States.

About Synergy

Synergy Services Corp. is a leading provider of contingent workforce solutions for companies who employ contractors and temporary workers. Synergy was founded on the premise of delivering superior contingent workforce solutions at competitive rates to companies who utilize contractors or temporary workers as a supplement to their full time employee workforce. In addition, Synergy Services is designed to assist companies in avoiding the risks associated with misclassification of contractors and ensure 1099 compliance. By offering the highest level of service at the lowest possible cost, Synergy Services allows its customers to focus on their core business competencies rather than shoulder the burden of administrative costs and other unnecessary liabilities.
