Synergy Breaks Through To Become One Of ColoradoBiz Magazines Top 100

Denver, CO, September 11, 2006 – Synergy Services Corporation, a leading provider of contingent workforce solutions, has once again made ColoradoBiz Magazines list of Colorado's Top 250 Private Companies. By breaking through the Top 100, Synergy has become one of Colorado's fastest growing private companies as well.

“We owe it to our customers, partners and employees for this recognition”, stated Tim Miller, Founder of Synergy Services Corporation. “They are the ones who make it happen every day.”

Synergy has rocketed up ColoradoBiz Magazines Top 250 Private Companies in the last two years moving from 165th place in 2003 to 87th place in 2006. Synergy was founded in 2000 for the purpose of serving as an employer of record for contract workers. Since then Synergy has helped numerous large companies avoid the risks of worker misclassification with their proprietary compliance services and web based technology.

Continually published for over 30 years, Colorado Biz is the state of Colorado's preeminent business publication and media franchise. The primary mission of Colorado Biz is to inform and educate the region's business professionals about the issues, people, businesses, and management trends at the forefront of influencing economic conditions in Colorado and western US.

About Synergy

Synergy Services Corp. is a leading provider of contingent workforce solutions for companies who employ contractors and temporary workers. Synergy was founded on the premise of delivering superior contingent workforce solutions at competitive rates to companies who utilize contractors or temporary workers as a supplement to their full time employee workforce. In addition, Synergy Services is designed to assist companies in avoiding the risks associated with misclassification of contractors and ensure 1099 compliance. By offering the highest level of service at the lowest possible cost, Synergy Services allows its customers to focus on their core business competencies rather than shoulder the burden of administrative costs and other unnecessary liabilities.
